1. Data from the U.S. Census Bureau; includes state premium tax collected from all types of insurance companies, including health insurance.
2. Data from the U.S. Census Bureau, NAICS reports. Direct jobs include those specifically found in the health insurance industry; other insurance-related jobs consist of those found in all insurance industries, including the health insurance industry. (See page 57 for a full description of job categories.)
3. A ranking of #1 indicates the lowest percentage of uninsured.
