---

1 Data from the U.S. Census Bureau; includes state premium tax collected from all types of insurance companies, including health insurance.

2 Data from the U.S. Census Bureau, NAICS reports. Direct jobs include those specifically found in the health insurance industry; other insurance-related jobs consist of those found in all insurance industries, including the health insurance industry. (see page 57 for a full description of job categories.)

3 A ranking of #1 indicates the lowest percentage of uninsured.
