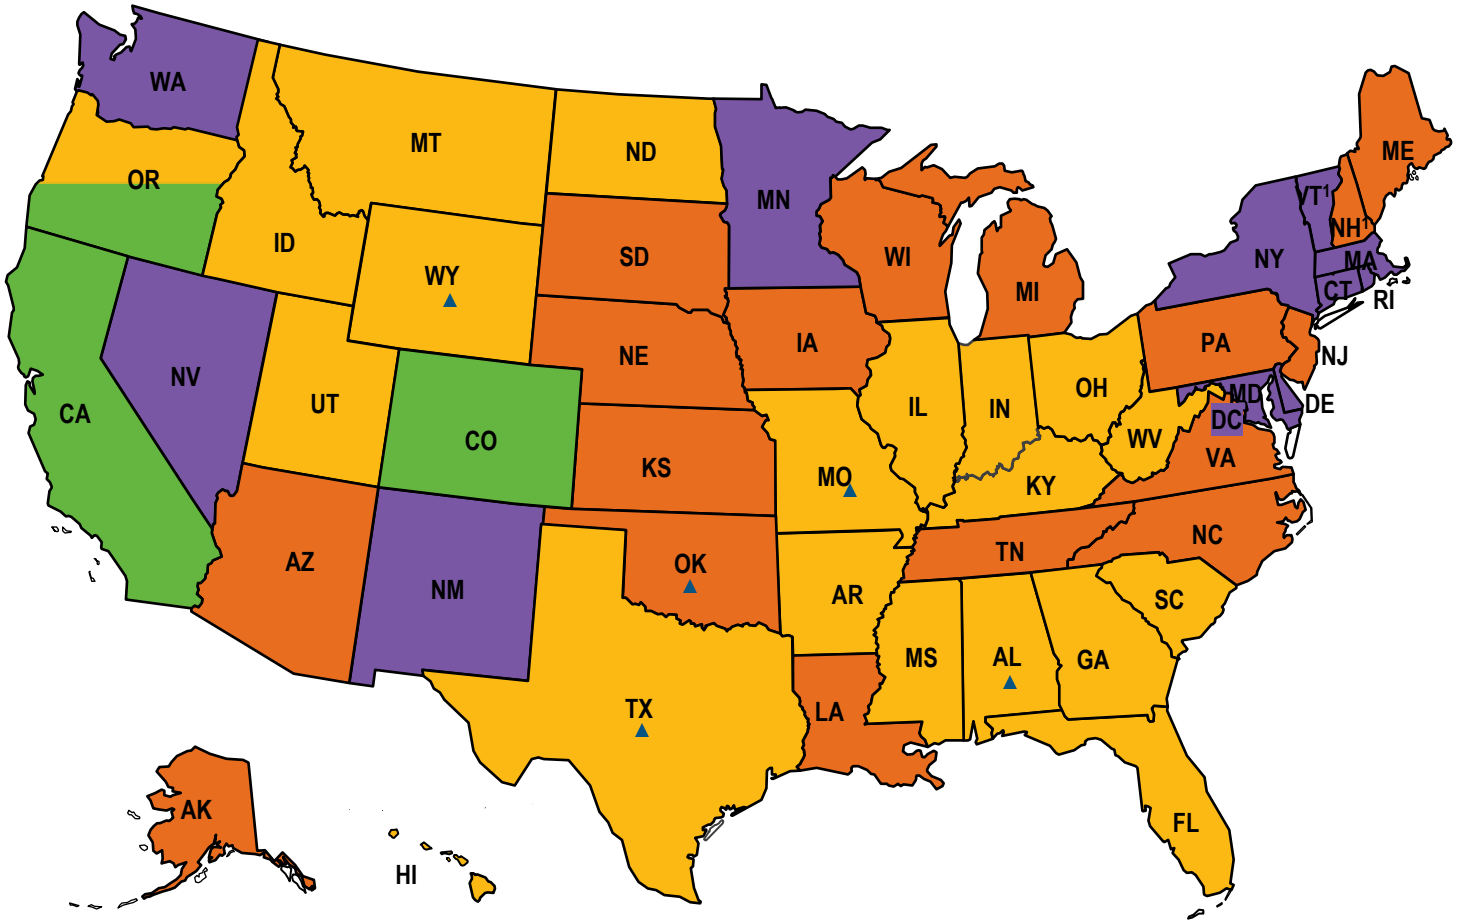
# State Responses to Administration Policy on Individual and Small Group Coverage Extensions

April 12, 2016



- Permits additional 3 month extension through December 31, 2017 (17)
- Permits individual and small group three year extensions (19)
- Permitted individual and small group one year extensions (3)
- Did not permit individual and small group extensions (11 + DC)

▲ Direct enforcement state where CMS, rather than the state, is enforcing the ACA's market reforms.

*For more details on state decisions see AHIP's table on State Responses to Administration Policy on Coverage Extensions.*

[1] *New Hampshire will only allow renewals until January 1, 2017. Coverage my continue through December 31, 2017 as allowed in the CMS Guidance*
