Lead the Future of Health Care

The **Executive Leadership Program** and **Executive Leadership Program for Medical Directors** are year-long Fellowship programs designed exclusively for seasoned health insurance professionals who are dedicated and passionate about the future of health care.

Curriculum

Over the course of 12 months, Fellows get a 360-degree view of the system, work with people outside of their wheelhouse, and leave with an insider's view of health care through unique learning and networking experiences, including:

Two intensive academic sessions

held in conjunction with AHIP conferences.

Northwestern Kellogg *One special intensive academic session* at Northwestern University's prestigious Kellogg School of Management.

Guided mentoring throughout the year and a one- or two-day site visit.

Case study development on real-life issues specific to your organization.

Practical leadership assessments and leadership action plans based on constructive feedback.
